

RESOLUTION 2004-5
OF THE
SOUTHWEST KANSAS GROUNDWATER MANAGEMENT DISTRICT

WHEREAS, the Southwest Kansas Groundwater Management District #3 (GMD3) is a body politic and was incorporated on March 23, 1976 under the provisions of K.S.A. 82a-1028 Groundwater Management District Act and therefore shall have the power to:

(c) rent space, maintain and equip an office, and pay other administrative expenses; and

(s) select a residence or home office for the groundwater management district which shall be at a place in a county in which the district or any part thereof is located and may be either within or without the boundaries of the district. The board shall designate the county in which the residence or home office is located as the official county for the filing of all official acts and assessments; and

WHEREAS, GMD3 currently maintains a home office in order to help better facilitate the needs of GMD3's constituents and to "preserve basic water use doctrine and to establish the right of local water users to determine their destiny with respect to the use of the groundwater insofar as it does not conflict with the basic laws and policies of the state of Kansas" (K.S.A. 82a-1020 in part); then

THEREFORE, be it hereby resolved by the GMD3 Board of Directors that this governing board designates Finney County as the official county for the filing of all official acts and assessments; and

FURTHER, be it hereby resolved by the GMD3 Board of Directors that this governing board selects the current location of 409 Campus Drive, Suite 108, Garden City, Kansas 67846-6192 as the residence or home office for GMD3.
