

RESOLUTION

Board of Directors
Southwest Kansas Groundwater Management District No. 3
Policy on Consideration of Applications

WHEREAS, the Board of Directors of the Southwest Kansas Groundwater Management District No. 3 have adopted a Revised Management Program on which includes a provision to review applications for permit to appropriate water for beneficial use and applications for changes in existing water rights, and make recommendations to the Chief Engineer, Division of Water Resources, Kansas State Board of Agriculture, and

WHEREAS, for administrative efficiency, there is a need to delegate authority, with regard to such recommendations to the Chief Engineer, on the approval, modification or denial of applications filed in the District,

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors of the Southwest Kansas Groundwater Management District No. 3, authorize the Board's staff under the direction of the District Manager, to review said applications and make recommendations, modifications, or denials to the Chief Engineer based on the policies contained in the Revised Management Program.

BE IT FURTHER RESOLVED, that decisions or recommendations made pursuant to these policies may be appealed to the Board of Directors by the applicant or any other party with an interest in the proceedings.

BE IT FURTHER RESOLVED, that this resolution supercedes the resolution adopted May 10, 1978 dealing with the review of applications filed in the District.

Done this 12th day of July, 1978 in Garden City, Kansas.
