

**RESOLUTION 95-5**

**OF THE**

**SOUTHWEST KANSAS GROUNDWATER MANAGEMENT DISTRICT**

**WHEREAS,** the District's 1991 Revised Management Program and the Rules and Regulations of the Division of Water Resources both provide, in part, that

"...The average saturated thickness of the 8,042 acre area shall be determined from maps developed by the United States Geological Survey or other reliable information as may be available."; and

"The average saturated thickness within a township and historical depletion shall be determined from maps developed by the United States Geological Survey; the Kansas Geological Survey, or other reliable information"; and

**WHEREAS,** the Directors have found it to be in the public interest to maintain a current profile of scientific resources and hydrologic references, and for said reason have caused the saturated thickness data of the District to be updated by the Kansas Geological Survey in conformity with the aforementioned Revised Management Program and Rules and Regulations; and

**WHEREAS,** upon their review of the information contained in Open File Report 95-18, "Saturated Thickness at Section Centers in the High Plains Aquifer, Averaged 1993, 1994, and 1995 Data", and "Change in Saturated Thickness at Section Centers in the High Plains Aquifer, Predevelopment to 1993-95". Southwest Kansas Groundwater Management District (Average 1993, 1994, and 1995)", the Directors have found it to be accurate and acceptable for the management purposes of the District; then

**THEREFORE,** be it resolved by the Board of Directors of the Southwest Kansas Groundwater Management District that, by instrument of this resolution, Kansas Geological Survey "Open File Report 95-18" be officially recognized, accepted, and adopted as its standard of reference in this regard; and

**THEREFORE,** that Kansas Geological Survey "Open File Report 95-18" be forwarded to the Chief Engineer as of this day for incorporation into the administrative requirements of the Division of Water Resources.

**Adopted this 8th day of November, 1995.**
